TO: ALL POTENTIAL OFFERORS
FROM: PS01/PROCUREMENT OFFICER

SUBJECT: Draft Request for Proposal (RFP) NNM09277065J for NASA Enterprise Applications
Service Technologies (EAST) Acquisition at the NASA George C. Marshall Space Flight
Center (MSFC)

The Draft RFP for the Enterprise Applications Service Technologies (EAST) Acquisition at NASA/MSFC has been released for the purpose of seeking substantive comments from industry.

The proposed acquisition will be evaluated by a Source Evaluation Board in accordance with procedures prescribed by the Federal Acquisition Regulation (FAR) and the NASA FAR Supplement (NFS). This Draft RFP is not a solicitation for a proposal but is issued as an acquisition planning instrument as a means of soliciting industry comments for use in developing the formal solicitation which is planned to be released at a future date.

Information and registration instructions regarding a EAST Site Tour of the NASA Enterprise Applications Competency Center (NEACC) facility has been posted on the I³P website located at: <http://i3p.nasa.gov>.

Potential Offerors are invited to submit comments on all aspects of the Draft RFP, including factory concept model, performance work statement (PWS), acquisition schedule, phase-in, options, service banding, integration with other I³P providers, concept of operations (CONOPS), proposal preparation instructions and evaluation factors. All comments will be considered. Use of any comments will be at the sole discretion of the Government and it is not the Government's intent to post responses to any comments.

Offeror's are encouraged to pay particular attention to Attachment **L-B**, *Background and Historical* as this attachment provides significant details regarding the current processes and resources utilized at the NEACC. Additionally, the Government is particularly interested in industry comments regarding the Service Level Standards described in Attachment **J-4**, *Service Level Standards* and comments regarding the approach described in Attachment **J-6**, *Application Point Requirements*.

All comments and questions regarding the EAST Draft RFP shall be submitted to Mr. Vann R. Jones via the I³P website at <http://i3p.nasa.gov> no later than 5:00 pm CDT on May 27, 2009. Mr. Jones can be reached at 256-961-1625 or via e-mail at vann.jones@nasa.gov.

Your interest in this important Agency acquisition is appreciated and we look forward to receiving your valuable insight and responses to this Draft RFP.
